Electricity price evolution – household annual bill, Flanders, Belgium (VREG)

https://dashboard.vreg.be/report/DMR_Prijzen_elektriciteit.html

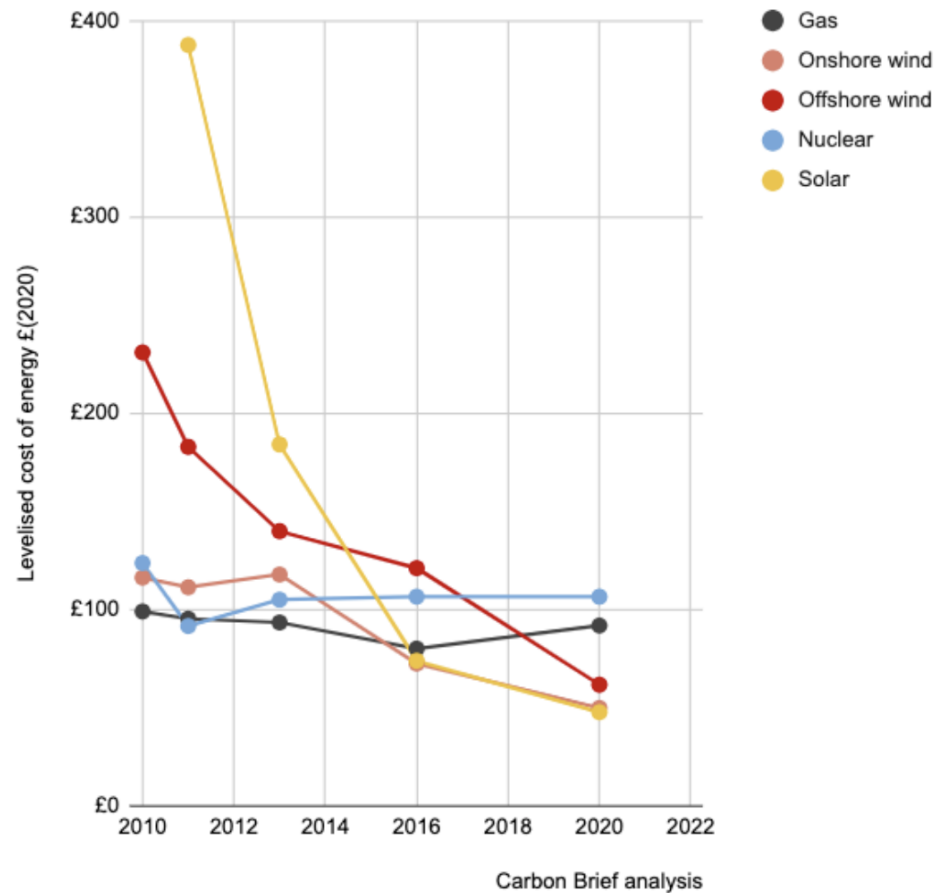

Natural gas price evolution – household annual bill, Flanders, Belgium (VREG)

https://dashboard.vreg.be/report/DMR_Prijzen_gas.html

Solar is now 88% cheaper than thought a decade ago, UK gov't says – and half its estimate for gas power

Levelised cost estimates are down 57% for onshore and 73% for offshore wind

About RAP

The Regulatory Assistance Project (RAP)® is an independent, non-partisan, non-governmental organization dedicated to accelerating the transition to a clean, reliable, and efficient energy future.
